Eboostr PRO V4.5.0.575 including crack from software developers is a utility software that is used for improving the performance of your PC. It helps to speed up.The effect of acute stress and socio-context on memory consolidation. The aim of the present study was to investigate the influence of stress and socio-context on memory consolidation. We hypothesized that acute stress (AS) and the presence of a social interaction partner at encoding and/or during the consolidation phase would enhance memory consolidation compared to no-stress (NS) conditions. Additionally, we hypothesized that individuals in a pair-bond relationship would exhibit enhanced memory consolidation. Participants performed an implicit memory test in a functional magnetic resonance imaging (fMRI) session. Participants viewed pleasant (e.g. flowers) and unpleasant (e.g. blood) scenes for 6s on either a pre-scan or post-scan day, in either an AS or NS condition. The results showed that participants
